

1. Com a estrutura de pastas .github/workflows/ contendo os arquivos de configuração que vocês criarem.

2. Um print de uma automação que "falhou" (ficou vermelha) porque vocês introduziram um erro de propósito no HTML.

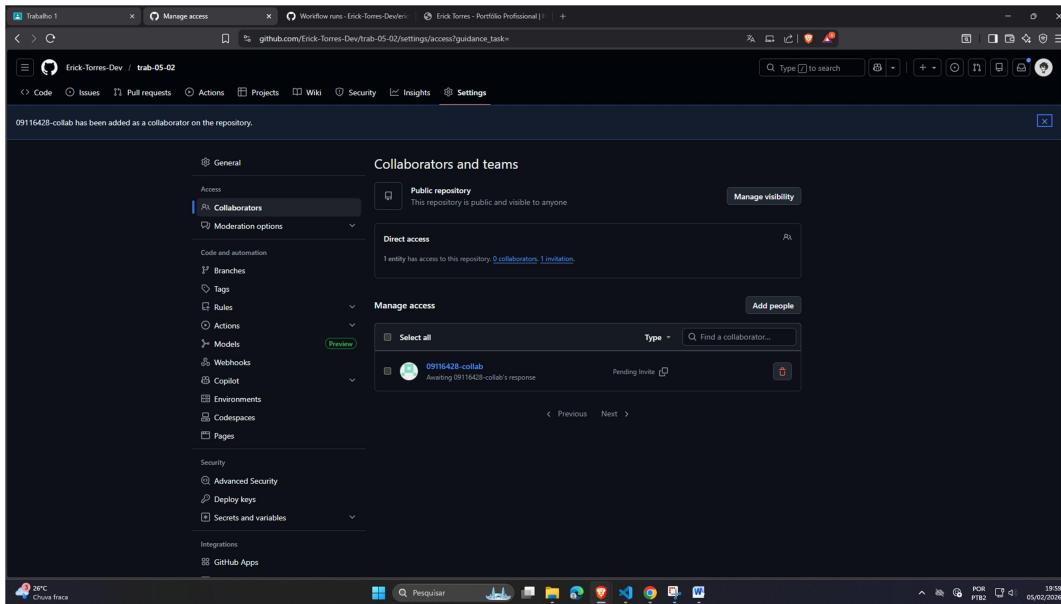

3. Um print da aba "Actions" mostrando o fluxo de Deploy concluído com sucesso.

4. O link da URL do GitHub Pages onde o site pode ser acessado por qualquer pessoa.

<https://erick-torres-dev.github.io/trab-05-02/>

5. Inserir o login 09116428-collab como colaboradora.

The screenshot shows a GitHub repository settings page for 'trab-05-02'. The 'Access' section is open, specifically the 'Collaborators' tab. A message at the top states '09116428-collab has been added as a collaborator on the repository.' Below this, the 'Direct access' section shows one entity with access: '09116428-collab'. A 'Pending Invite' button is visible next to the user's name. The interface includes a sidebar with various repository settings like General, Code and automation, Security, and Integrations. The bottom of the screen shows a Windows taskbar with icons for file explorer, search, and other applications.
